

In Remembrance of Max Solomon Lewis

July 6, 2021, Chicago — Segall Bryant & Hamill (SBH) and our 124 employees are devastated by the loss of Max Solomon Lewis, a summer intern in our Chicago office. Max lost his life due to senseless gun violence when he was hit by a stray bullet while riding a Chicago Transit Authority elevated train home from work July 1. He passed three days later, on July 4.

Max was a rising junior at the University of Chicago and joined SBH as a summer intern on our research team. He was a very talented and fine young man with a bright future. He will be missed.

Our deepest sympathies are with Max's family, friends, and all who knew him.
